# BOOK YOUR NEXT WRIGLEYVILLE OUTING AT ROCKIT BURGER BAR

Located directly across the street from **Historic Wrigley Field**, this bi-level pub puts a contemporary culinary twist on traditional bar and grill fare. Despite its name, the **Group Party Menus** at this popular Chicago destination not only revere the "burger" ...but far surpass it. We offer outstanding casual American cuisine, using the freshest ingredients available. We can accommodate your group's menu needs by customizing, from casual fare to more upscale selections. Just ask!

The **comfortable, stylish atmosphere** blends natural elements with sleek, modern design, and boasts over 15 **mounted televisions** throughout the venue to show you the best sports, music videos and current affairs...or your own DVD loop with your client/family photos and branding messages. **Rock music** saturates the space with classics, current top 40 hits, and all-time favorite songs. Giant **picture windows** throughout the venue allow tons of **natural light** to enter the space...and create special views of Wrigley Field.

**We have access to everything you need to make your event a stand out. From in-house audio visual services, live camera feeds, specialty lighting, DJs, karaoke, and bands.... we are your full-amenity event planners for no additional fees. Let us know what you need!**

**Tell us your event goals, and we can help make them happen. For those important, but often-overlooked finishing touches that make events truly memorable, we offer many additional amenities such as customized room décor, floral services, invitation design, and branding of your logo or event message.
